# ABOUT INSPIRON '22

Inspiron '22, organized by CSI COEP Student Chapter, is a 24-hour hackathon that will take place on the 12th and 13th of March. The theme of the hackathon is Smart City.

A smart city is a city that uses technology to provide services and solve city problems. A smart city does things like improve transportation and accessibility, improve social services, promote sustainability, and give its citizens a voice.

We invite all innovators to transform their ideas into reality. Be sure to register!
